It tells the story of Hollywood homicide detective Harry Bosch. This season there is a murder that occurs on a nearby overlook east of the Reservoir. The victim lives in Lake Hollywood Estates. Filming around the Reservoir would allow our story to resonate naturally, and deliver the geographic reality that our viewers have come to appreciate and demand.

11. Detailed description of activities requested on LADWP property: Scene description: Detectives drive, find an abandoned vehicle belonging to a homeless person who found a key piece of evidence, investigation occurs.

Specific to prep and filming:

Trimming of brush in a spot that will allow our two detectives down below to better see the van up above.

Removing and replacing the fence gates on the day of filming - back up before nightfall.

The post-investigation scenes will have picture cars (6) around the bottom of the dirt road on the large paved pad, and making sure that they would be positioned so that emergency vehicles can pass by (fire lane).

Equipment and vehicles accessing the location from the Tahoe gate, and parking equipment vehicles on one side of the "ring road" so that emergency vehicles can pass by (fire lane). This gate would need to remain open all day and we will place a security guard to open and close.

Parking “abandoned” van/homeless campsite on trail above Montlake Drive - this is the film set.

Tarp attached to abandoned Van and to adjacent fencing - public will be able to walk underneath.
